Grateful Crane Ensemble "Project Momotaro"

The Grateful Crane Ensemble, Inc. is a non-profit theater group whose mission is to present educational and theatrical programs in appreciation for the unique hardships and inspiring contributions of Japanese Americans in our country's history. The group was founded in 2001, and in 2011, celebrated our 10th Anniversary.

Project Momotaro

In this show, The Grateful Crane Ensemble tells three classic Japanese children's stories: "Momotaro, the Peach Boy," "The Tortoise & The Hare," and "Tanabata." Originally meant to introduce Japanese American children to their culture and heritage, the show has turned out to be fun and nostalgic for the entire family.
